Come meet the author of *Ten Beautiful Things*, Iowa's youth selection for the 2024 Great Reads from Great Places initiative through the Library of Congress Center for the Book.

Molly Beth Griffin will share her writing process and the Iowa connections and inspirations behind this book.

She'll also offer tips and tricks for learning to notice the beautiful things all around us, and making art from what we find.

Books will be available for purchase at the event.

Presented in partnership with the Iowa Center for the Book and Ames Public Library. This project was made possible in part by the Institute of Museum and Library Services.
