The Swine Republic: Struggles With the Truth About Agriculture and Water Quality is the Iowa's 2024 selection for adults for Great Reads from Great Places and an unexpected hit across Iowa.

Jones, a retired University of Iowa researcher, writes for a popular audience about how politics and economics have influenced changes in Iowa's water quality.

Books can be ordered online from Dog-Eared Books (<https://dogearedbooksames.com>) and shipped to you. A small selection of books will also be available for purchase at the event.

Presented in partnership with the Iowa Center for the Book, Ames Public Library, and Dog-Eared Books. This project was made possible in part by the Institute of Museum and Library Services.
